Mentoring Committee Report 2023-2024

Mentors play a key role in the College as they help the mentees deal with academic difficulties faced by them thereby helping them complete their credits in a smooth manner. Mentoring of students is an integral part of our educational system; it aims in providing guidance and support

In order to incorporate the mentoring system in college mentor mentees session was held every year to bring about the best potentials in our students.

The mentoring system prepared the mentor mentee meet of the mentoring program in Sheela Devi College of Education, Wadi, Nagpur. An initiative taken by the mentoring committee this year was to address the queries of mentee presented by the mentors in their report to the Committee. The Committee members sought information from respective authorities and shared the same with all the mentors.

In session 2023-24, every mentor has 7 mentee from B.Ed Ist year and 7 mentee from B.Ed IInd year.

The mentor mentee meet was conducted on 1st April 2024. Mentor submits the report of B.Ed Ist year and B.Ed IInd year student.

Following were the tasks done by mentors after mentor mentee meet:

1. Mentor shared issue raised by mentee during the mentoring meeting (which were resolved by the mentor themselves)
2. Mentors shared issue raised by mentees for which further clarification was needed.

A total 8 mentors submitted the reports. A total of 100 mentees were allotted these mentors.

After receiving reports from mentors, issues raised by mentee were resolved by the mentoring committee and the same was shared with all the mentors.

All the mentors solved the problem of the mentee.
