POWER POINT PRESENTATION

PowerPoint presentations are used in many different fields due to their ability to organize and structure information, create a consistent format, and provide the audience with visuals. Educators often use this type of presentation in their classrooms in order to guide the class through a lecture.

Sheeladevi College of Education organized a Workshop on Power Point Presentation on 18, March 2024. All students were participated in this workshop. Dr. Leena Taywade, as Resource Persons of the workshop delivered a comprehensive lecture on various Power Point presentations, which was followed by practical demonstration on making PPT. It was an extensive and effective interactive session.
